

THREE-MINUTE RAPID FIRE PRESENTATIONS

AN EVENT FOR EARLY CAREER GEOSCIENTISTS AT AGCC 2018

3minutes
to make an impact

Rapidly and effectively communicate your science to a diverse audience in just 3 minutes!

The competition is open to students undertaking a PhD, MSc or Honours studies, and to Early Career Geoscientists, who are:

- Registered as delegates to 4 days of the AGCC 2018
- Current members of one of the AGC Member Organisations

Event and prizes generously sponsored by

There are 2 categories, Students (Hons, MSc, PhD) and Early Career Geoscientists and prizes* include

1st Place - AU\$5,000

2nd Place - AU\$2,000

3rd Place - AU\$1,000

to go towards professional development such as attending an international or national conference, fieldtrip or workshop

*the awarding of 2nd and 3rd place is dependant on the number of participants in each category and the merit of presentations. Prize winners will be required to write a society newsletter report describing how the funds were used, and what benefits were gained from the professional development activity

Registrations close 30 August 2018, register now!
